INFORMATION DISCLOSURE STATEMENT

SIR:

In order to comply with discretionary regulations 37 CFR 1.97 and 1.98, attached hereto is a copy of Form PTO-1449 and a copy of the non US documents (if any) listed thereon. These documents contain information which the Examiner may consider to be important in deciding whether to issue a patent in the instant application.

Also attached is a copy of the European Search Report dated March 4, 2004 from the corresponding European Patent Application. Such Search Report lists 8 documents. Five such documents namely EP 0 915 593, Wen De Zhong et al., Chong-Kwon Kim Lee T. T. et al and Takagi S. et al., were cited in an IDS dated January 5, 2004. All of the documents listed in Form PTO- 1449 appear in the European Search Report. The European Search Report explains the relevancy of the documents listed in the Form PTO-1449.

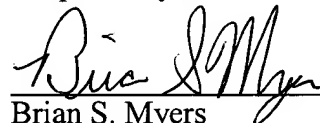

The present Information Disclosure Statement is being submitted in compliance with 37 §CFR 1.56 as an Examiner might consider any cited document important in deciding whether to allow the application to issue as a patent, but the citation of each document is not to be construed as an admission that such document is necessarily relevant or prior art. No representation is intended that the cited documents represent the results of a complete search, and it is anticipated that the Examiner in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 CFR 1.104 (a), and in the course of such search will review for relevance every document cited on the attached form even if not initialed.

As this statement is being filed prior to issuance of a first Office Action, no fee is due.

Early and favorable consideration is respectfully solicited.

Any fee due with this paper may be charged on Deposit Account 50-1290.

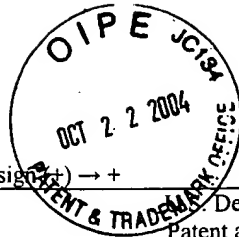

Respectfully submitted,

Brian S. Myers
